READ SDS & SAFETY INSTRUCTIONS  
BEFORE OPERATING OR USING

# INSECTA SHIELD WATER BASED

Insectashields Water Based, is a non-flammable, pleasantly fragranced, aqueous insect barrier surface spray that is ideal for indoor applications. Insectashield is a low toxic formula that does not accumulate in the environment, and has no residual activity in warm blooded animals or humans.

Directions for use:

Use via a pump up spray unit, refer to directions on reverse of bottle.

**NOTE:** Dilution rates vary depending on application. The directions are suggestions and in some cases weaker or even stronger dilutions will apply.

**SAFETY:** Prolonged use wear gloves. Avoid contact with eyes. First Aid: if swallowed. DO NOT induce vomiting. Give a glass of water and seek medical attention. Contact Poisons Information Centre (Ph. 13 11 26 from anywhere in Australia) or contact doctor at once. If in eyes, hold eyelids apart and flush the eye continuously with running water. Continue flushing until advised to stop by the Poisons information Centre or a doctor. Or at least 15 minutes.

Please recycle packaging by returning clean containers to a recycler or designated collection point.

**HAZARD STATEMENTS:**  
H411 Toxic to aquatic life with long lasting effects.

Manufactured by  
Left Pillar Pty Ltd T/A's Shield Chemicals
